Having Our Say – The Delaney Sisters' First 100 years: Goodman Theater

May 5 - June 10

Trailblazers, activists and best friends, the Delaney sisters—103-year-old Sadie and Bessie, age 101—take us on a “provocative and entertaining” (The New York Times) journey of triumphs over prejudice in times of social unrest. Celebrate the story of a century as lived by “two strong, vibrant women dispensing joy and wisdom” (Chicago Tribune) in this funny and heartfelt family drama based on the bestselling memoir.

Macbeth: Chicago Shakespeare Theater

Now – June 24

Aaron Posner and Teller (of Penn & Teller), the famed creators behind 2015's The Tempest, reunite for Shakespeare's psychological thriller in the theatrical event of the season. Magic, witches, moors, and stunning sights will delight and trick the eye in an electrifying tale of ambition and madness. Dark deeds are afoot in The Yard at Chicago Shakespeare, as Macbeth and his Lady risk all for the ultimate prize. Shakespeare's haunting drama of political intrigue and personal frailty is brought to light in an immersive visual world where “nothing is but what is not.” The Yard, hailed as “the greatest new theater in the world,” by the Chicago Tribune, is home to this supernatural tale, starring Helen Hayes award-winner Ian Merrill Peakes and Chicago leading lady Chaon Cross as Macbeth and Lady Macbeth.

Jesus Christ Superstar: Civic Opera House

Now – May 20

One of the greatest stories ever told comes to life in the groundbreaking, iconic rock musical that reinvented musical theater for the modern age. With music by Andrew Lloyd Webber and lyrics by Tim Rice, this global blockbuster tells the story of the final weeks in the life of Jesus Christ, from the perspective of Judas Iscariot. As Christ's followers grow more fervent, Judas must make his fateful choice between faith and betrayal. Filled with an exciting mix of musical styles that draw upon 1970s rock, gospel, folk, and funk themes, this contemporary imagining of the biblical tale features high-energy dance and powerful storytelling. A must-see Broadway hit of the new season!

BUDDY – The Buddy Holly Story: Stage 773

Now – May 26

Before the Beatles or the Rolling Stones ever played a note, rock & roll was forever changed by the bespectacled kid from Texas. Buddy tells the true story of Buddy Holly through his short – yet spectacular – career and features the classic songs “That’ll be the Day”, “Peggy Sue”, and the Big Bopper’s “Chantilly Lace”, Richie Valens’s “La Bamba”, plus many more. To learn more, read our Artistic Director’s note and Backstage Guide.
