Tenants will need to present their Mobile Access Digital Keycard to the driver for access to the shuttle bus. If you have not [downloaded the building app](#) please do so ASAP. Thank you to those facility and showroom managers who have sent their employee lists to be added to mobile access already. If you have not submitted your company's employee list yet, please send to propertymanager@themart.com at your earliest convenience to take advantage of all the tenant exclusive amenities.

As we get closer to October, a map will be provided along with any additional details we may need to share.
