RE: Enhanced garage security – Timeline update

Thank you to everyone who has updated their contact information over the past few weeks. As you may have noticed, the access readers have been installed, though they are not yet activated. Our tech team is working on activating them, and we anticipate going **live on Monday, September 30th**.

If you haven't yet completed the survey to add your mobile access permission for the garage, please do so as soon as possible. If you have any questions, please contact propertymanager@themart.com.

Thank you for your cooperation!
