RE: Enhanced garage security – Update contact information

---

As part of our ongoing commitment to enhancing security at The Mart, we will be implementing controlled access to the elevator and stairwell that lead to the parking garage and bike storage areas beneath the building. This project will take place over the coming weeks. To prepare for the system's activation, we need to provision your access in advance.

Please scan the QR code to complete a brief, two-minute survey by September 13th. You will need your parking spot number, license plate number and keycard number to complete the survey. This will allow us to update your mobile credential in the building app, granting you access to the parking garage. Additionally, the survey will ensure we have your most current contact information for garage-related communications.

Thank you for your cooperation.

To download the building app turn page for instructions. Questions? Contact [propertymanager@themart.com](mailto:propertymanager@themart.com).

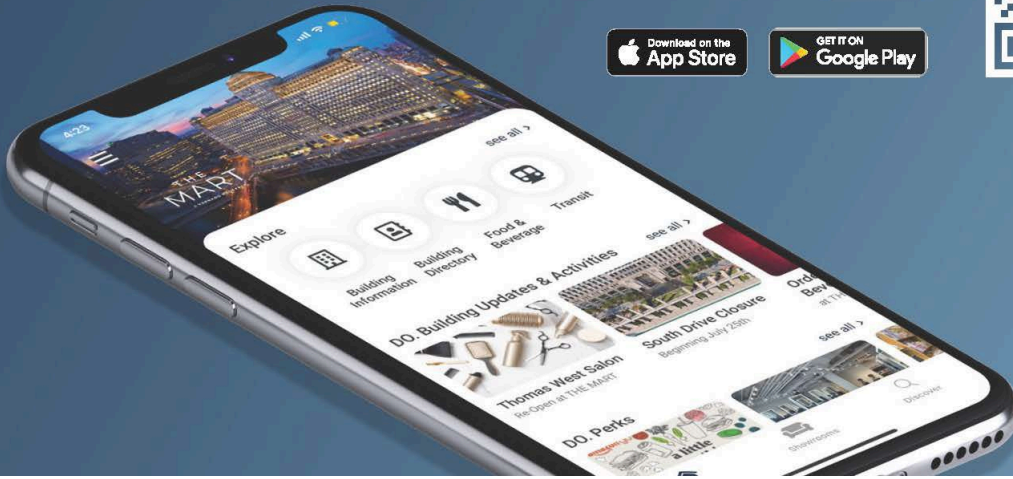

# THE MART

A VORNADO PROPERTY

Access exclusive perks, transit updates, THE MART info, RSVP to events and more.

Scan the code with your phone or search "Vornado" in your app store.

VORNADO.  
LIVE. WORK. DO.

Must use work email when logging in to building app to be property permissioned as a tenant. Already have the building app? Just take the survey on front page.
